**PETITION TO RESET PERIOD FOR REPLY DUE TO NON-RECEIPT OF
NOTICE OF NON-COMPLIANT AMENDMENT**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that the period for reply to the Notice of Non-Compliant Amendment mailed on December 5, 2007, be reset. Resetting of the period for reply pursuant to M.P.E.P. § 711.03 is appropriate because this Notice of Non-Compliant Amendment was never received by Crowell & Moring, whose correspondence address is the mailing address of record in this application.

Attached to this petition is a Declaration by Ms. Tanya Che, manager of the Docketing Department of Crowell & Moring LLP. The attached petition includes exhibits that contain confidential information not relevant to this application, and accordingly the confidential information has been redacted. The undersigned's personal knowledge of the relevant facts is as follows:

Serial No. 10/786,171
Attorney Docket No. 029082.53185US

1. On May 20, 2008, the undersigned's assistant, Ms. Gayle Morris, was reviewing the undersigned's docket, which included a status check due on May 20, 2008, in the above-identified application.

2. Ms. Morris accessed USPTO's PAIR system to determine the status of the above-identified application. Ms. Morris discovered that the PAIR system indicated that a Notice of Non-Compliant Amendment had been mailed on December 5, 2007.

3. Ms. Morris was informed by the Crowell & Moring Docketing Department that this Notice had not been received and entered into Crowell & Moring's docketing software.

4. Ms. Che informed the undersigned of the facts set forth in the attached Declaration. Specifically, Ms. Che informed the undersigned that if the Notice had been received by Crowell & Moring on or after December 5, 2007, it would have been entered in the docketing system. For example, if the Notice had been received on December 6, 2007, it would have been entered on December 7 or December 8, 2007. Ms. Che provided the undersigned with a report that listed all matters docketed on December 7 or December 8, 2007, and the above-identified matter was not listed as having a docketed action. Further, there is no record of receipt and docket entry of the Notice on any date following December 5, 2007.

Based on the forgoing, it is the belief of the undersigned that this Notice was not received by Crowell & Moring. Accordingly, the undersigned

JUL 11 2008

Serial No. 10/786,171
Attorney Docket No. 029082.53185US

respectfully requests that the date of notice of the outstanding Notice of December 5, 2007, be re-dated and the outstanding period of response runs from the new date.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket # 029082.53185US).

July 11, 2008

Respectfully submitted,

**DECLARATION IN SUPPORT OF PETITION TO RESET PERIOD FOR
REPLY DUE TO NON-RECEIPT OF NOTICE OF NON-COMPLIANT
AMENDMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Tanya Che, hereby declare that:

1. I am the Docketing Manager for the Intellectual Property Group of
Crowell & Moring LLP.
2. I was employed by Crowell & Moring during the relevant time
periods discussed in this Petition as either the Docketing Manager
or Docketing Supervisor for the Intellectual Property Group of
Crowell & Moring LLP.
3. On May 20, 2008, I was informed by Gayle Morris that a Notice of
Non-Compliant Amendment had been mailed in the above-
identified application on December 5, 2007, but there was no
corresponding entry in the Crowell & Moring docketing system.

Serial No. 10/786,171
Attorney Docket No. 029082.53185US

4. Based on discussions with Gayle Morris, I reviewed the data in our docketing system and determined that all Patent Office correspondence that was mailed on December 5, 2007, was entered into our docketing system on either December 6, 2007 or December 7, 2007.
5. Attached as Exhibit A is a report of all matters entered into our docketing system on December 6, 2007. Attached as Exhibit B is a report of all matters entered into our docketing system on December 7, 2007. The above-identified matter does not appear in the reports of Exhibits A and B.
6. If a Notice of Non-Compliant Amendment (Notice) were received by Crowell & Moring on December 6, 2007, it would have been docketed on December 6th or December 7th and would appear on the reports of Exhibits A and B. Because a Notice for the above-identified application does not appear in the reports of Exhibits A and B, and further no entry for the Notice is present on any date after December 5, 2007, it is my belief that the Notice mailed on December 5, 2007, was not received by Crowell & Moring.

Serial No. 10/786,171
Attorney Docket No. 029082.53185US

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
